

Park:

Hubbard Cave

State:

Colorado

Location:

Glenwood Springs

Activities Allowed:

Caving, 4 Wheeling, Hiking, Mountain Biking, Trail Running, Back Packing, and Camping.

Park Affiliation:

USDA White River National Forest

Park Fees:

None

Potential Hazards:

Falling Rock, Flood, Falls, and Wild Animals

Wildlife:

Bears, Mountain Lions, etc.

Trail Type & Configuration:

This trail system is 4x4 Road and single track in Out and back configuration.

Physical Rating (1 to 5.5):

Mountain Biking 4

Hiking 2.5

Trail Running 4

Trail Description:

The trail starts out as a 4x4 road (4.01 miles). Then it will turn into a single track and proceed for about 0.79 miles. The 4x4 road is nearly undriveable when there has been precipitation because it becomes extremely slippery. If you are driving in... we recommend going in pairs, leaving one vehicle at the beginning of the 4x4 road, or bringing a winch.

Technical Rating (1 to 5.5):

Mountain Biking 4

Hiking 2

Trail Running 2
